

# Travel with Confidence

## How we are making your journey Covid-19 secure

The well-being of passengers and staff is our top priority and we want you to have complete peace of mind when travelling with us. So, in line with government regulations, we've introduced additional measures to make sure you feel safe and comfortable throughout your journey.

If you have any queries or concerns, please contact us.

### Hand Sanitiser

Antibacterial hand gel is available on every vehicle for both drivers and passengers to use.

### Face Coverings

As per government guidelines, it is compulsory to wear a face covering when travelling on our vehicles.

### Limited Seating Capacity

Passengers must only use designated seats to adhere to social distancing. Unavailable seats will be marked.

### Enhanced Cleaning Regimes

Vehicles are disinfected multiple times a day with antiviral products and fogging systems.

### Purifying Air Filters

Our new air filtration systems regularly purify the air on-board the vehicle throughout your journey.

### Boarding Process

Passengers must load the rear seats first and exit in reverse order to maintain distance from those seated.

### On-Board Signage

We have visual reminders on our coaches regarding social distancing whilst on-board.

### Temperature Checking

All drivers and passengers are required to have their temperature checked prior to boarding the vehicle.

### Protective Driver Screens

If safe, drivers will disembark for passengers to board to maintain distance. Screens have also been installed.

# Days out to brighten winter

The cold and dark may have set in but there is so much to see and do this winter! Our day trip programme includes something for everyone, from museums, manor houses and musicals to shopping trips, country drives and cream teas.

A particular highlight is a trip to see the Snowdrops at Hever Castle - a carpet of 80,000 snowdrop flowers provide a magical trail around the gardens, lifting any flagging winter spirits! Also find a sneak peek into day trips departing into summer 2021. We've spent far too long inside this year, so wrap up warm and safely join us for a great winter day out!

We're pleased to hold 'Good to Go' status to welcome you safely on board for a great day out. Should we need to cancel a trip due to Covid-19, we will offer you a 100% no quibble refund, or a free transfer to another one of our days out, meaning you can book and travel in complete confidence with us.
